Payment Detection

Dual-Layer Smart Detection System

SMS Detection

Reads payment SMS from all Indian banks automatically

- Real-time SMS monitoring
- All major Indian banks supported
- Amount extracted automatically
- Works without internet

Notification Detection

Captures payment notifications from 30+ apps instantly

- PhonePe, GPay, Paytm & 27 more
- Reads notification content
- BigText & summary both captured
- Background monitoring 24/7

Supported Payment Apps

30+ apps monitored simultaneously

PhonePe	Google Pay	Paytm	Amazon Pay	WhatsApp Pay	BHIM UPI
FreeCharge	MobiKwik	Airtel Money	Jio Money	Ola Money	CRED
